

BEDUGUL TOUR

Temple Ponjok Batu, Gitgit waterfall, Temple Ulun Danu, Lake Bratan, Market

This is an exciting full day tour with many interesting stops. The first stop is a visit to the beautiful temple Ponjok Batu at the sea side. You will then pass Singaraja where you can go shopping at the local market. The tour continues to the beautiful waterfall Gitgit. The waterfall is about 40 meters high. The paved way of about 400 meters leads along souvenir stalls. At the waterfall you can refresh your feet in the cool water.

During the drive to the temple Ulun Danu you can enjoy the beautiful view of the small Lake Buyan and rice fields. On the way you can make a stop to see monkeys which are usually sitting next to the street. The famous and important Hindu and Buddhist temple Ulun Danu with its beautiful garden area and flowers is situated at Lake Bratan. The tour also includes the visit of the spice and fruit market in Bedugul where you have the possibility to taste Balinese strawberries.

Start: Our tour starts from Alam Anda at 8:30 am., returns around 4:30 pm.

Please note: At Gitgit waterfall it is not necessary to hire a local guide!

To bring: Suitable clothes for the temple, possibly towel
