

## RAFTING TOUR

Ayung's class 2 and 3 rapids (easy to medium strong) wind through a deeply carved valley with towering waterfalls and enormous cliffs of prehistoric times. Tropical jungle shadows shimmer on river pools, then white water once more breaks the serenity of this environment.

The guides will brief you before the tour starts, so you will be good prepared for the adventure. Keep your eyes open along the way for the occasional glimpse of brilliant blue Javan Kingfishers or lazy lizards sunning on rocks. Fresh towels, a natural bamboo shower and an extended buffet at the terraces of the riverside restaurant are waiting for you at the end of the tour. On the way back to the hotel you can make a stop at the viewpoint to enjoy the panorama of Mount Batur.

**Start:** Our tour starts from Alam Anda at 7:30 am, return will be around 3:30 pm.

**To bring:** Please bring cloth which can get wet, changing cloth and suitable shoes with you.
